ROTARY ANN CLUB HAS FINE MEETING

The April meeting of the Rotary Ann Club was beautifully arranged by Mrs. Carl Hyde, Mrs. L. B. Kelsey, and Mrs. Lovelle Ott. Spring decorations were carried out in pale pink and orchid. The first summer frocks of the season also made their appearance, and the luncheon tables resembled a spring banquet. Mrs. Oscar Fossum, Mrs. Dorothy Post and Mrs. May Hyde were guests of members. Mrs. Raymond Young, Mrs. Harry Perry, and Mrs. George D. Watson were welcomed as new members by Mrs. W. Harold Kingsley, who presided. Mrs. Perry G. Briney read a beautifully written paper on "Fellowship." "Fellowship," she said, "is always an opportunity." It is the aim of the Rotary Ann Club to have members give short inspirational talks at each meeting. Fawcett was said to Mrs. Wilfred Teal, who goes to join her husband in Oakland. She was presented with a linen luncheon set from the members. A special meeting has been called at the home of Mrs. John McMillan, 1527 Post avenue, on Friday night. Mrs. Norman Leake, Mrs. Florence Welch and Mrs. Roy McFarland will have charge of the May luncheon. The annual election will be held at the next meeting.

CARD PARTY POSTPONED TWO WEEKS

The five hundred party to be given by the W. B. A. at the home of Mrs. Hiram Reeve on Friday evening has been postponed until April 30, owing to the fact that the high school play is being presented on Friday evening.

MISS LONA MOSK WEDS L. A. MAN

Miss Lona Mosk and Irving Stone were married in Los Angeles Thursday, April 8. Miss Mosk was a junior at the University of California, Berkeley, where Mr. Stone is an instructor in economics. Mr. and Mrs. Stone will spend the next year in Europe. The bride is the daughter of Ernest Mosk of Los Angeles, who owns considerable business property in Torrance.

WOMEN'S CLUB DINNER AND DANCE SUCCESS

The first dinner dance of the Women's Club, held last Friday evening, was a complete success. The table decorations of pastel shades were enhanced by beautiful wild flowers. During the dinner Mary Lingenfelter Thompson sang a group of songs, with Mrs. J. M. Fitzhugh at the piano; Miss Fannie Jacobs and Miss Mattie Rowley of Los An-

OBSERVATIONS

(Continued from Page 1)

That this attack made rather than lost votes for Mr. McMasters is evidenced by the results of the election. Mr. McMasters received about 1500 votes, or almost 700 more than any other candidate for office. Fortunately for the continued life of this great democracy and all the component parts thereof, "dirty politics" doesn't win.

SPEAKING of politics in this great democracy, things are humming in the gubernatorial campaign. Here we have Rex Goodall, recently resigned collector of internal revenue, the estimable Mr. Young and Gov. Richardson in the race. The mails to newspapers are already filled with large envelopes from the headquarters of each of these candidates. I have studied all this matter carefully and with concentration and yet have no idea which would make the most able governor of the state. It will be interesting to watch the campaign develop. With almost daily letters arriving already, what will the avalanche be when the candidates really get down to the business of the campaign?

ANOTHER race of interest to the people of this district is the contest for the lieutenant-governorship, especially as it concerns itself with the candidacies of Buron Pitts, prominent Legionnaire and now deputy district attorney, and Frank Merriam of Long Beach, legislator and for two terms speaker of the California House. This will be a spirited contest.

SOUTHERN CALIFORNIANS who are making strong bids as candidates for United States senator are Congressman Walter Lineberger of Long Beach and Councilman Ralph Criswell of Los Angeles. Lineberger has a strong organization of ex-service men supporting him and bids fair in Los Angeles County to give the militant Los Angeles councilman a lot more than a good run.

SO it goes. It is difficult to decide which men in these contests for high office are the most capable, the least biased, the most honest and the least easily swayed by self-seekers. When one decides in his own mind these things, then he can vote intelligently—but not until.

COLLECTOR COMING

A deputy collector of internal revenue will be at the office of the Torrance Chamber of Commerce Monday, April 19, from 9 a. m. to 4 p. m. to consult with taxpayers regarding income tax returns.

Mrs. James H. Milburn attended the press conference of the Women's Club in the Chamber of Commerce building, Los Angeles, Monday morning, W. R. Gordon, correspondent for the Associated Press, explained the methods used in gathering and distributing Associated Press news.

A good attendance was reported for the last regular meeting of the W. B. A. Tuesday last at the Women's Clubhouse. The next meeting will be April 27 at the Women's Clubhouse at 8 p. m., and a Fraternal Day program will be observed, with an open meeting and refreshments. Anyone who is interested may attend.

Mrs. Carolyn Jones of Carson street underwent a major operation recently at the Torrance hospital.
